Friday 20th March 2020

Dear Parents/Caregivers,

In addition to the precautionary measures regarding COVID-19 currently in place within our school regarding school activities we are asking the following:-

- **Volunteering in all classroom areas including the library is being paused until further notice**
- **Parents/Caregivers not to enter classrooms until further notice, but able to take child/ren to their classroom door**
- **Staff/students/Parents/Caregivers be aware of social distancing in their interactions with others when dropping off and collecting students outside of classrooms and on the school grounds**
- **Parent teacher interviews will be conducted over the phone. Staff will contact you via phone (possibly displaying No Caller ID) during the time you have booked through the online school interview system.**

We understand that there are times when you are wishing to communicate with your child's classroom teacher, at this time we are asking you to do this through remote methods which may include classroom teacher emails, class Facebook and/or seesaw if applicable

We strongly value our communications with parents/caregivers and these measures are precautionary to ensure the safety and wellbeing for all staff, students and our community.

Please ensure that your contact details are up to date.

Regards

SWilloughby
