From the Principal

Dear Parents / Caregivers,

Student Wellbeing and learning how to behave is an important focus in our school. For many children, learning how to behave, developing resilience and understanding that life is not always fair can be quite challenging. One program we use to develop these skills is the Game Factory – Play is the Way.

The Game Factory helps to change the student, teacher relationship from one based on control and compliance to one based on guidance and self-determination. The Games Factory games help children to develop and habituate patterns of behaviour that are personally advantageous and culturally appropriate.

Throughout the program are a number of key themes that are reinforced through interactive, fun games. Some of these include:

- Children need to develop self-soothing talk to assist them to deal with challenges.
- Participate and you will progress.
- Learning is an emotional experience and discomfort leads to learning.
- You should use plain language when talking with children.
- Use the language of right and wrong; strong and weak choices.
- Disappointment enables you to jump higher.
- Nothing changes by accident.
- No one can hurt my feelings without my permission.
- Praise needs to be specific, focused and informative.
- Use praise as you would food. Don’t give too much of it!
- Be a master of your problems not a victim.
- Develop preference, respect, trust and empathy.

These are very important life messages for children to learn and it is through structured games that they can be learnt. If you would like to read more, their website is www.thegamefactory.com.au

Cheers,
Shaun
FUNDRAISING NEWS

Thanks to everyone who supported our BBQ outside Woolworths at The Hub. We had a great day, and enjoyed meeting many locals who had never heard of Thiele Primary or the Campus schools despite living in the area for 20+ years! There were no official signs available, but we hope to remedy that in time for our next outside event. The BBQ was organised by Tina Howard, with the stalwart assistance of Trudie Blacksell. Others to assist were Gae, Vicki, Leonie and Mark, Leah, Taimi and her mum, Barry, Brian, Roy, Fiona and Ann-Marie (please forgive me if I have forgotten any names). We were pleased that some of our students came to help – thanks to Seniors Kate, Lauren and Liam, as well as James, Roshan and Laura. We were impressed that so many came to help - thanks to all.

Our next event will be a cupcake stall in Week 10 – start thinking of great decorating ideas for your cakes or biscuits.

As a result of our fundraising efforts, the school has purchased a fridge to be used particularly for junior cooking activities. Quotes are being sought for the ‘soft-fall’ material.

Also, we will again be supporting the Samaritans Purse with ‘Shoeboxes of Love’. Do start looking for items to donate or for a shoebox ready to fill. Keep a look out for face cloths, soap and toothbrushes, as well as balls and small toys, all year round. We hope to set another record in the number of boxes filled!

CASUAL DAY

Friday 4th July is our next Casual Day. This Casual Day will support the students in Nepal and the “Shoeboxes of Love” The theme is dress to reflect your nationality. You can either bring along a gold coin donation to support Miss Gabb to purchase equipment and resources for the children in Nepal or something to place into a shoebox to support orphaned children overseas. If you chose to bring an item for the shoebox you may choose:

- something to wear
- something to cuddle
- something for school (paper, pencils)
- something to play (ball, skipping rope, finger puppets)

Please ensure that the items chosen do not leak or melt, are not food items, damaged or used, breakable, scary or harmful, gambling related, religious, racial or political

You may complete a whole shoebox if you would like to make one up for a girl or boy aged between 2-4, 5-9 or 10-14 years old.

NOTICES SENT HOME

Over the past fortnight the following notices have been sent home.

- Grandparents day for the junior primary classes

If you have not received any of the above, please request a copy either from your child’s class teacher or Thiele Reception.

PEOPLES CHOICE COMMUNITY LOTTERY 2014

If you haven’t purchased a ticket (or a book) in the People’s Choice Community Lottery yet, there’s still time. Just $2 could win you a Hyundai ix35 Highlander valued at over $40,000 or any one of over 200 other fantastic prizes. There are a limited number of ticket books still available from the school’s front office or the Campus Office. Sales close on 31st July and every $2 spent comes straight back to the Campus, so your purchase will directly benefit Campus and could possibly be a winner for you! Tickets are also available from the Campus website at www.appscampus.sa.edu.au
CAMPUS INSTRUMENTAL NIGHT

On Thursday 12th June, Campus celebrated all things musical with our annual Instrumental Night. 120 students from all three schools joined together to get up on stage and show off their developing talents. We heard from students studying recorder, keyboard, guitar, clarinet, percussion, voice, strings and flute, as well as performances from the Campus ensembles, Senior choir, Junior Choir and Campus Band. They all rose to the occasion marvelously and we would like to congratulate all students who participated.

Our Performing Arts Captains helped in many ways to run the event. Thiele’s Performing Arts Captains are Georgina S and Poppy C. They worked with the representatives from Pilgrim and Nativity to either work as a compere or as a stage hand for the evening. All six Captains also assisted with a great deal of the set-up, as well as performing themselves - they had a very busy night, and we would like to thank them for their efforts.

We would also like to acknowledge all the staff who helped out on the night to help the event run smoothly. There is always a lot of hard work behind the scenes and special thanks must go to Ally Cunningham, who co-ordinated the event.

Finally, many thanks to all the parents and family members who supported this event. It is wonderful to see our students becoming more and more accomplished in their musical pursuits and it cannot happen without their family's support.

STRINGS PROGRAM ON CAMPUS

We are looking for some more students in Years 3-7 to participate in our Campus Strings Program. You can learn violin, viola or cello for FREE! Yes, that's right, FREE! Learning a string instrument is one of the best ways to quickly develop excellent musicianship, especially aural skills. Hiring an instrument is very cheap on campus, just a $50 bond which is refundable on return of the instrument, and a fee of only $25 per term. This is an amazing opportunity and we would like to encourage new enrolments for Term 3. Please contact the Performing Arts staff for more information.

SCHOOL HOLIDAY FUN!

Looking for something to do in the school holidays? Lisa Cannizzaro, our performing arts teacher, is performing in a children’s opera called “Space Encounters”. The performance is part of the Something on Saturday program at the Adelaide Festival Centre and will take place at 11am and 1pm on Saturday July 12. Tickets are $14.50 and available from BASS (bass.net.au).

CAMPUS SOCCER

Week 4 Results 14th June

After an enjoyable break for the long weekend, I was hoping for some more sunshine for our home games, but it was fleeting unfortunately. On the plus side, it didn't rain which was a good thing.

Under 9 – Campus defeated Mercedez 2-0
Goal scorers - William T and Leon S. Well done team.

Under 10 – Campus defeated St. Theresa CTK 3-0
Goal scorers Gabriele B-2 and Oscar S-1. This was a great game with a few near misses and a disallowed goal.

Most Inspirational Player Award went to Hudson K for defending the ball well and being so hungry for the ball that the opposition didn’t stand a chance. It was the best he has played so far this season. Well done Hudson and well done team.

Under 11 – Belair defeated Campus 3-2 Goal scorer was Tavien G-W. A very hard fought game, but a good game to watch. Keep up the good work team.

Senior 1 – Westminster defeated Campus 6-0
Senior 2 – Campus defeated Belair 7-5 Goal scorers Daniel G 4, Lachie S, Noah P & Maxim K single goals each.

16th June - Senior Children’s Charity Carnival at Bowker St Warradale.

The night was bitterly cold, as it always is at Bowker St, but thankfully we didn’t get any rain. Well played by both teams, with mixed results.

Senior 1 Won 3 games and drew 1 game.
Senior 2 Won 1 game and lost 3 games.

Stay tuned for more results in the next newsletter.

Cheers

Soccer Coordinator

FAIR SHED OPENING SOON

It might be time to clean out the shed, kid’s rooms, kitchen or bookshelves. The Campus Fair Shed will be opening soon to receive your pre-loved (but in good, clean condition) items.

The Fair Shed will accept toys, puzzles & games, books, household & kitchen items, sporting goods, bric-a-brac and crockery.

The Fair Shed cannot accept large electrical items, televisions, computers, furniture, clothes, safety equipment such as life vests, helmets or harnesses, baby car seats/restraints, cots, high chairs or bouncers.

Donated items can be left at the Campus Fair Shed, kindy car park - Budapest Rd. on Sunday 6th July between 10am & 1pm (it’s the first Sunday of the holidays). Later Fair Shed dates are: 27th July, 17th & 31st August, 14th & 28th September, 12th October (final opening).

Forget the garage sale- donate to the Fair Shed. Your items will find a new home through the Trash 'n Treasure at this year's Campus Community Fair.
Dear Parents / Guardians,

The Library will be holding a Book Fair beginning Thursday 26th June. The Book Fair is a major fundraiser for the Campus Library and with your support we can raise funds to purchase many new books for our students.

The Fair will be located in the Library Classroom. This will allow for easier access (no stairs to negotiate) and more room to move around the book displays. All students will have the opportunity to preview the books during their scheduled Library borrowing session with their teacher. A ‘wish list’ will be available for each student to write down titles of books available at the Fair. This will give parents an insight into their child’s preferences for reading.

Please Note:
You are under no obligation to purchase the products on the wish list. Attached is a flyer with a sample of books available, with the option of payment by credit card.

The Book Fair will be open for Sales at the following times:

If you cannot attend at the above mentioned times you have the option to enclose the correct money in an envelope marked clearly:
- CAMPUS LIBRARY BOOK FAIR
- Student’s name
- Classroom Teacher’s name
- Details of the item for purchase

OR
- Using the Wish List there is an option to make payment online.

The student can bring the envelope to the Library during the sales times mentioned above.

Please contact Maureen Dickson in the Library if you think you may have some time to assist with sales during the above mentioned times.

Congratulations to the Campus Tornadoes Pedal Prix team on competing well in difficult racing conditions on Sunday 15 June at the first 6 hour Pedal Prix race at Victoria Park for 2014. All participants represented Campus with pride. Thank you to Mr Bennett, Miss Nash and Mr Jenkins for coming out to support us, and of course to Mrs Willoughby who devotes many hours and all day each race day as Campus Pedal Prix Co-ordinator. The students always appreciate seeing Campus staff and fellow students at races to support and cheer them on, so please feel welcome to come and join us at future races!

Our race results from Sunday 15 June are as follows:

**Category 1 – primary school**

Rocket - 17th out of 68 in category. 108th overall out of 183 trikes. 101 laps completed.

Twisted - 20th out of 68 in category. 115th overall out of 183 trikes. 98 laps completed.

Both trikes placing in the top 20 is a magnificent effort!! Well done to both teams.

**Category 2 – junior secondary (Old Scholars Team)**

It was a bit of a tough day at the track for our more experienced riders with cramps affecting 2 of them whilst on the track. But that's racing...anything can happen. The team worked hard and did themselves proud despite these challenges and provided good role modelling to our primary school riders.

Evolution - 10th out of 41 in category. 47th overall out of 183 trikes. 132 laps completed. At one point early on in the race Evo was racing 18th overall, remarkable given the speed, power and talent of the older riders in the Category 3 and 4 teams.

We are all looking forward to the next 6 hour race at Victoria Park on Sunday 27 July, 10am-4pm.

Ali Sellick
Pedal Prix Coordinator

SCHOOL DENTAL SERVICE

The School Dental Service is the major provider of dental services for babies, children and young people under 18 years in South Australia. Around 130,000 children attend every year.

The Commonwealth Child Dental Benefits Schedule for 2–17 year olds started in 2014.

ALL children are very welcome to continue to access dental care at the School Dental Service. Dental care is FREE for most children and the School Dental Service will bill-bill Medicare.

Children who do not qualify for the Child Dental Benefits Schedule can also attend – a small fee will apply for each course of general dental care provided.

School Dental Clinics are located across Adelaide and regional SA. To locate your local School Dental Clinic, and for more information about the Child Dental Benefits Schedule, visit www.sydental.sa.gov.au
