From the Principal

Dear Parents / Caregivers,

As you are aware, at the end of last term there were a number of child safety incidents around our school / Campus that were a significant concern to us. What these incidents highlighted was that the safety messages we regularly reinforce to our children do get through. The students involved did respond appropriately by taking action to keep themselves safe including telling the right people so they could get help. The follow up by the police was also very thorough and appreciated.

As a follow up to what occurred, Campus leaders reviewed our safety procedures around the school and have made one change recommendation in relation to entry and exit points to the Campus. We believe it would be appropriate to lock the gate that leads off Campus Drive into Pilgrim school near the JP play Equipment. This would mean that our families would need to enter the grounds via the gate that leads to the JP classes at the top of Campus drive near the oval. We will be trialling this for the remainder of the term and we are happy to receive feedback in relation to this change.

Changes to Car Parking Arrangement at Warakila Lodge Aged Care Facility

Another change that will take effect from next week is that we no longer have access to parking in the Aged Care Facility on Campus Drive. This has come about due to some parents parking in non-designated areas that have made it difficult for their staff to find a park. This has been a problem for a while now and as a consequence, parking for school parents in the aged care facility is prohibited. Please respect this decision and park elsewhere before and after school.

Campus Community Fair

With only a two sleeps to go, all is in readiness for our Campus Community Fair this Sunday. The Campus Events Committee has put in many hours of work in preparation for this major event and hope that with your support, it will be a great success. Please show your support for their hard work by coming along on Sunday. Thanks also to the parents who have volunteered an hour or so of their time to help with setting up, running a stall etc; as many hands make light work. If you haven’t put your name down and would still like to assist, there is still time.

See you at the Fair!

Cheers

Shaun
CONGRATULATIONS

No.3 in Australia - Under 13 Girls
at the Australian Junior Championships
for Squash held in Perth in the school holidays.
Kate also came 2nd in the Team
Events for Under 13 girls.
GREAT JOB KATE!!!!!!!!!

JAPANESE

Japanese Term Four

  in Japan.
- Learn about Japanese anime and manga as
  well as having a go at creating some.
- Complete a food explorer’s webquest.
- Learn about how Christmas is celebrated in
  Japan.

FROM SHARON WILLOUGHBY

SLT / SRC
The students from the three schools on Campus
have been working hard on developing their
entrepreneurial skills and look forward to sharing
these with you on Sunday at the Campus Fair.
Look out for :- “Top It Off” pancakes and “MEL”
chocolates.
The SRC students are sharing their crafts of
headbands, jewellery, photo frames and cards at the
Campus Fair. Look for our stall, competition of
“Guess how many M&M’s” are in the jar, “Plaster
Painting”, “Smoothie Bikes” and our displays near
the PAC.

Pedal Prix
Congratulations to all of our Year 6 and 7 students
who competed in the 24 hour race at Murray Bridge
in September. This year we had many new riders
competing for the very first time and we could not
have been more proud to see both trikes, “Rocket”
and “Evo” complete the race relatively unscathed.
I would like to thank all of the parents who volunteer
their time and support for this wonderful program; it
truly is a team effort.

If you are interested in finding out more about the
Campus Pedal Prix program speak to Ali or Paul on
Sunday at the Fair. Our trikes will be on display near
the Campus office.
A “Come and Try” will be offered later this term to all
Year 5 students.

Respect – Achievement - Integrity - Sustainability
